The Belly Dancing For Fun!!! Dancers

This loosely formed group of dancers come together under the umbrella of Belly Dancing For Fun!!! Dancers. With varying levels of experience, an assortment of looks, sizes and styles, these dancers are all committed to the same thing – sharing their joy of belly dance with their audience.

Where would belly dancers add some fun?

We are happy to perform at weddings, birthday parties, showers, and fund-raising events and almost anything else that brings friends and families together to celebrate. *Please note that we do not perform at male only events.*

Standard Shows:
Soloist: 10 – 15 minutes
Duet/ Two Dancers 15–20 minutes
Group: 25– 30 minutes

Performing to middle eastern, fusion or north american music [*your choice*], with props such as zills, veil, stick etc., [*dancer's choice, based on location*] these options all give a great taste of belly dancing, and leave the audience ready to start dancing themselves!!

The dancer(s) can either present a stage show or mingle amongst the audience, depending on the situation/ set-up of the event.
